DISPATCHED BY MM Docket No. 94-83

In the Matter of

Amendment of Section 73.202(b), RM-8494
Table of Allotments,
FM Broadcast Stations.
(Cascade, Montana)

NOTICE OF PROPOSED RULE MAKING

Adopted: July 14, 1994;

Released: July 27, 1994

Comment Date: September 19, 1994

Reply Comment Date: October 4, 1994

By the Acting Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Stephen D. Dow ("petitioner"), seeking the allotment of Channel 285C to Cascade, Montana, as that community's first local broadcast service. Petitioner provided an engineering study in support of the proposal and indicated he would apply for the channel, if allotted.

2. We believe the proposal warrants consideration because the proposed allotment would provide a first local service to Cascade, Montana. Channel 285C can be allotted to Cascade consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 29.7 kilometers (18.4 miles) north-east of the community.¹ The site restriction will prevent a short spacing to Station KMTX-FM, Channel 287C, at Helena, Montana. Since Cascade is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian government will be requested for this allotment.

3. In view of the fact that the proposed allotment would provide a first local FM service to Cascade, Montana, the Commission believes it would serve the public interest to propose amending the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

| City | Present | Channel No. | Proposed |
|------------------|---------|-------------|----------|
| Cascade, Montana | --- | | 285C |

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we

note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before September 19, 1994, and reply comments on or before October 4, 1994, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

David L. Hill
Audrey P. Rasmussen
O' Connor & Hannan
1919 Pennsylvania Avenue, N. W., Suite 800
Washington, D.C. 20006

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Kathleen Scheuerle, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.

(b) With respect to petitions for rule making which conflict with the proposal(s) in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. *Comments and Reply Comments; Service.* Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
